World Class Popcorn & MORE...

Dear students & parents,

Summer is gone and the new “Middle School Experience” is upon us! EXCITING AND EDUCATIONAL THINGS ARE PLANNED! We are offering the opportunity for students and families to help raise funds for all the extras such as: music, equipment, transportation, entry fees, and many more things in the music program! These are made possible through this fundraiser project! We need your help to fuel the fun!!

Starting TODAY and ending on SEPTEMBER 25th we set forth on our journey for this years FALL WORLD CLASS fundraising project. Stock up now and don’t forget to ask your families and neighbors if they want to help raise funds for your programs endeavors through buying Poppin’ Popcorn or tumblers. Physical brochures have been sent home today, as well as an online version through the QR code below.

The products will be delivered to the group in late October. People pay at time of ordering. Checks should be made out to WLMS with no tax! All prizes are awarded after ALL the money is collected and within the deadlines! Credit/Debit payments are also an option...a small user/convenience fee applies.
