

North Carolina Read to Achieve Program (End of Third Grade Flow Chart Narrative)

This flow chart describes the procedure for students at the end of their third grade year.

- Students take the 3rd grade EOG
- If they are proficient, they are promoted to Grade 4
- If they are not proficient, they may qualify for a “good cause exemption” and be promoted to Grade 4 (see list of good cause exemptions on page 9 of the guidebook)
- If they do not qualify for a “good cause exemption”, then they make take a retest of the EOG (different form) and/or the Read to Achieve test
- If they are proficient on one of these assessments, they are promoted to Grade 4
- If they are not proficient on one of these assessments, they are enrolled in summer reading camp
- If a parent decides not to enroll the student in the Summer Reading Camp, then the student is retained in third grade
- If the student attends and completes Summer Reading Camp, then they may achieve proficiency by passing the Read to Achieve test **OR** by passing with a complete reading portfolio (contents and structure to be determined)
- If they are proficient by either means (test or portfolio), then they are promoted to Grade 4

- If they are still not proficient, then the student moves to the next school year with a “retained” label on their records in PowerSchool
