## **West Lenoir School Guidelines and Procedures**

Many of the guidelines and policies listed in this section are formed from the Caldwell County School Board (CCSB) policies that are referred to in most sections. Much of what is contained here is direct quotation or paraphrase of the exact policy.

All CCSB policies cannot be printed here in their entirety because of space limitations. A comprehensive and current listing of ALL CCSB policies can be found online: [https://boardpolicyonline.com/bl/?b=caldwell\\_county](https://boardpolicyonline.com/bl/?b=caldwell_county).

A hard copy of a particular policy can be provided by the school at the request of a parent or student during the regular school hours.

All students and parents sign a form that acknowledges they have read this entire handbook. All items contained within apply to all students, even if they fail to read the handbook. Any parent or student with questions or concerns regarding West Lenoir School guidelines, procedures, or policies may contact the principal.

## **School Safety**

School safety is a top priority for the school administration and for our staff. Each school has a Crisis Management Plan that addresses major crises such as bad weather, armed intruders on campus, chemical spills, etc. It also defines the steps that should be taken to ensure the safety of our students. Law enforcement and emergency agencies work closely with school administration to prevent or prepare for these incidents that could threaten the safety of our students. As our culture and environment continue to change, crisis response is modified to meet the current demands in society. Each year schools are required to conduct at least two lockdown drills in an effort to be prepared for emergencies. For more information on this topic please contact the School-Community Relations Office at 728 – 8407.

## **Equal Educational Opportunity**

The Caldwell County Board of Education and West Lenoir Elementary School has a policy that states that no student or employee shall, on the basis of race, religion, national origin, sex, or disability be denied the benefits of or the right to participate in any program or activity offered by the school system. Programs, activities and facilities of the Caldwell County School System are available to all on a nondiscriminatory basis, without regard to race, color, creed, religion, sex, age, handicap, or national origin. The school system is an equal access Equal Opportunity Employer. Questions pertaining to educational equity, equal opportunity, or equal access should be addressed to:

Associate Superintendent of Human Resources  
Caldwell County Schools,  
1914 Hickory Blvd. SW  
Lenoir, NC 28645  
Phone: 828-728-8407

## **DIRECTORY INFORMATION**

West Lenoir School may release directory information about students including name, address, telephone listing, date and place of birth, participation in school activities, height, weight, class rank of athletic team members, dates of attendance, degrees and awards received, and the school last attended. Such information will be available for release unless the parent or student over the age of 18 requests that such information be withheld. Parents or eligible students have the right to object to the release of directory information or challenge the accuracy of the information by informing the school principal in writing. If dissatisfied with the principal's decision the parent or eligible student may appeal the decision to the Superintendent. (CCSB Policy 4700: Student Records)

The primary purpose of directory information is to allow the Caldwell County Schools to include this type of information in certain school publications. Examples include:

- The yearbook;
- Honor rolls or recognition lists;
- Graduation programs; and
- Sports activity sheets.

## **Custody**

In situations where a parent has sole custody, a copy of the custody papers needs to be filed in the principal's office. If this applies to your child, please bring your custody papers to the office so a copy can be made and kept on file. Without court documentation of sole guardianship we are not allowed to stop a parent/guardian from school activities or picking up students if they have joint custody or no plan has been set in place.

## **Integrated Pest Management (IPM)**

The Caldwell County School system utilizes an Integrated Pest Management (IPM) approach for controlling insects, rodents, and other pests. Parents have the right to be notified in advance of specific pesticide applications made at the school. To view Policy 9205 in its entirety and to download a notification request form, go to [www.caldwellschools.com/Students/Integrated Pest Management.\(CCSB Policy 9205: Pest Management\)](http://www.caldwellschools.com/Students/Integrated Pest Management.(CCSB Policy 9205: Pest Management))

## **WLES Academics**

All teachers utilize a core curriculum, along with NC Essential Standards to guide their instruction. Textbooks, resources, and other materials are used to provide quality instruction for all students. Students in grades 3 – 8 receive report cards with letter grades of A, B, C, D, or F each nine weeks grading period. End-of-Grade tests are administered in May or June for students in grades 3 – 8 reading and math as well as science in grades 5 and 8. (CCSB Policy 7521: Grade Reporting and other sections within the 7000 series: Curriculum & Instruction Section)

Each teacher assigns homework that he/she feels best helps their students. Homework is assigned primarily to practice a skill learned in class. Parents/guardians should provide support by asking children about homework and checking their student planner each night.

## **Grading**

Progress reports will be sent home with your child at the middle of each grading period. This will give you the opportunity to reward/praise your child for his/her accomplishments or to establish expectations for improvement. Report cards will be sent home with your child within ten days after the end of the nine-week grading period.

Parents/Guardians may also access student grades at any time through the HomeBase Parent Portal. This system allows Parents/guardians to access their child's attendance, grades, and information online. You must create an account with a username and password before access is granted. Go to the following link for instructions on creating your account:

## **Conferences and Parent Involvement**

Parents are important partners in the educational process and play a vital role in working with teachers to ensure that students meet high behavioral and academic standards. We encourage parents to be involved in their student's school experience by volunteering, sending notes, making notes in the student's agenda, calling the teacher to talk/conference during non-instructional time, and become part of our PTA program.

Your child's teacher will be happy to arrange a conference with you that can include your child's regular teacher, resource teacher if applicable, Encore teachers, and/or the principal. Please contact the school office between **7:40 a.m. and 4:00 p.m.** to arrange a conference that will be convenient for you and the parties involved.

Please remember that if you call to talk with a teacher during school hours you will be sent to voicemail or be asked to leave a message. Teachers can return phone calls during their planning periods. We want to protect the instructional time for our students.(CCSB Policy 7532: Shared Accountability Standards)

### **Visitors and Volunteers**

We welcome parents and community members to volunteer at West Lenoir. Parents/Guardians are also welcome to eat lunch with their children. However, due to possible conflicts of interest, parents are not allowed to volunteer in their child's classroom or enter the classroom without prior knowledge or approval by the principal. Parents/Guardians that do request to volunteer, if permitted, will be placed in an appropriate area by the principal. Volunteers who are interested in serving as a chaperone, math tutor, reading tutor or volunteer coach are required to have a criminal background check prior to participation. In these specific areas of volunteerism, applicants must also have prior permission from the school administrator before completing the online application.

Every visitor must check in at the office and get a visitor's badge to wear during the time spent at school. Visitors are not permitted in the classroom during instructional time. The safety of our students is very important to us and every attempt is made to ensure their safety. All visitors and volunteers are expected to behave in an appropriate manner while on school grounds, when attending school events and on field trips. If an individual disrupts the educational environment, acts in a disorderly manner, exhibits unusual/threatening behavior, damages school property, or violates board policy they will be asked to leave. If they do not law enforcement will be notified and appropriate action will be taken.

### **Attendance**

The CCSB and West Lenoir School staff seek full cooperation from parents and students in promoting good attendance and punctuality. The primary responsibility for school attendance rests primarily with students and parents. Our Student Services Staff help promote regular student attendance and address attendance issues if they arise. Parents/Guardians should carefully read the entire CCSB policy on attendance for elementary school students to make sure they are familiar with all requirements and laws.(CCSB Policy 4400: Attendance Section within the 4000 series: Student Section)

Quality instructional time is a top priority for Caldwell County Schools. Regular attendance is a very important factor in student success. Work missed while a student is absent is difficult to make up as there is no substitute for quality instructional time, classroom discussion/activities, and interaction. Regular attendance is required by the Compulsory Attendance Law. Excessive unexcused absences may result in one or more of the following:

\* An attendance contract with specific requirements/ consequences will be in place for those who fail to meet the expectations for student attendance:

- The students may be retained in the same grade at the end of the academic year.
- Notification of the appropriate county and state officials (i.e. District Attorney, Social Services, etc.)
- Other corrective action as deemed appropriate and necessary by the Attendance Committee and/or principal.

Parents may request assignments for absent students by 9:00 a.m. and pick them up between 2:50 – 3:15 p.m. or have them sent home with the student's sibling. Parents/Guardians will be notified at the third, sixth, and tenth unexcused absence. Students having more than ten unexcused absences may not be promoted to the next grade level. (CCSB Policy 4400: Attendance Section within 4000 series: Student Section)

If a student is absent please send a written excuse to the teacher stating the exact reason for the absence within three days of the students return to school. Please do not write notes in planners. All notes must be written on a separate piece of paper. All notes need to be brought to the office and not given to teachers. Students with over five absences may be required to return with a doctor's note per absence thereafter.

**Tardies**

Students who arrive at school after the **8:10** bell must report to the office with a parent to check in for a tardy slip. If your child is attending West Lenoir as a transfer student, excessive tardies and/or absences are grounds for the student to be returned to their home school.

**Early Check Out**

When a student needs to leave early, the parent/guardian must come into the school to pick up the student. The parent/guardian must sign the student out in the school office and should not go directly to the classroom. In order to maintain safety, students are not allowed to leave the classroom without being dismissed from the office. Students will not be allowed to use the telephone to ask permission to go home with another student and are discouraged from using the telephone for matters other than emergencies. When a student is checked out you must give the code word to the office before a student is released; there will be no exceptions.

**Inclement Weather**

In the event of bad weather the Caldwell County School System will make announcements concerning school on the local radio stations and several television stations. An information line is also available with information concerning school closings, delays or early dismissals. The number is 728-2800. Any messages should be on the line by 6:00 AM. Please do not call the school or police department. There is a section of the Student Information Sheet that is sent home at the beginning of the year that asks for bad weather arrangements. Make sure that the school has instructions as to what to do should school be dismissed early due to bad weather or other emergencies.

The school principal will also send an Alert Now message to parents should there be a delay in schedule, school closing, or mechanical problem with buses. Alert Now messages will not reach you if we do not have updated phone numbers or email addresses though.

**Contact Information**

It is very important that the school always have the correct address and working telephone number for each student for use in an emergency. It is also important that the school have a current work address and telephone number (including extension) for each parent or guardian. Please notify the school as soon as possible of any changes in your child's emergency contact information.

**Bus Transportation**

Students who live in the West Lenoir School district have the option of riding a school bus to and from school. Bus transportation is a privilege and not a requirement. Bus stops will only be made at a residence of a current student within the school district. Bus stop changes must be requested to the bus garage before any route change/stop will be altered.

Students residing in an area outside of the West Lenoir district on transfer must provide his/her own transportation to and from school. For approved in-county student transfers, it is permissible for students to ride a school bus, provided there is space available from any normal bus stops within the West Lenoir district. This is dependent on transportation for the student from the bus stop. Transfer students must get approval from the principal to ride the bus from a West Lenoir resident's stop.

All school rules apply on school buses and around school bus stops. These rules will be strictly enforced to ensure the safety of all our students. Students who do not follow the bus rules will have disciplinary action that may include assigned seating, administrative disciplinary action, or have their privilege to ride the bus suspended and/or revoked by the principal.
