The Caldwell County School System is a nationally accredited public school district enrolling nearly 12,000 students in grades K-12. The community is part of the Unifour area of North Carolina which has a population of over 400,000. The district includes 6 high schools: 3 traditional high schools, an alternative school, and 2 innovative high schools located on the community college campus. There are 12 elementary schools for students in grades K-5, 4 middle schools serving grades 6-8, and 4 K-8 schools positioned in the scenic, rural areas of Caldwell County.

South Caldwell High School is located on a 100 acre campus in southern Caldwell County and serves approximately 1,417 students in grades 9-12. Students come from a rural community of families who work mainly in the manufacturing and service industries. South Caldwell High School utilizes 4x4 Block Scheduling and each student attends 4 classes daily for an entire semester. Credits are awarded after the end of each semester grading period. In addition to 4 classes, students also participate in a 1-hour SmartLunch. During this time, students are invited to engage in various clubs and activities, attend tutoring sessions, and eat lunch with other students and teachers. Our school also assists all 9th grade students in adjusting to high school standards and expectations through the Spartan Academy, which follows a Freshman Academy model.

ADMINISTRATION

Principal
 Mr. Keith Hindman

Assistant Principals
 Mrs. Julie Hall
 Mrs. Kim Clark
 Dr. Pete Yount
 Mr. Ken Robbins

Data Manager
