

Google Classroom on your Smartphone

Google Classroom

Instant. Paperless. Easy.

★★★★☆ 166K

Get the Google Classroom App downloaded to your phone. It's free!

Click on "Get Started." If you already have your Caldwell County Schools (CCS) email set up on your phone, then simply select your CCS email on the next screen.

If you do not have your CCS email set up, then type in your CCS email, including @student.caldwellschools.com. Click "Next" and enter your email password. After a bit (be patient. There is a lot of traffic right now!), your courses should populate to the app.

Google Classroom

Google Classroom helps classes communicate, save time, and stay organized.

Google Classroom

2nd period

Mrs. Teacher

Each of the courses that you are enrolled in should show up here with the course name (2nd Period) and the teacher's name (Mrs. Teacher). If you have not yet joined the class, you will see a "Join" button in the lower right hand corner. Click that to join the class.
