

AMAZING

(Words and Lyrics by Mendehlson and Moshan)

Can you hear me when I call to you? Or are my cries inaudible?
You make me believe that my dreams can come true
Even if they're implausible
And when I catch a glimpse of you I can't be quiet or subdued
My boldness, my audacity Proliferates, it grows rapidly.

You're amazing.
You satiate and you satisfy.
You're amazing. You placate and you pacify.

My love for you is steadfast, unchanging.
Do you notice that I'm even alive? Or am I that inconspicuous?
Don't eschew me, don't push me aside I'm so harmless, innocuous.

And though you can be bellicose
Warlike to your greatest foes
Even they would never disagree
Cause there's unanimity.

I'm not lying, it's no fallacy.
To put it briefly, yeah with brevity.

You're amazing.
You satiate and you satisfy.
You're amazing. You placate and you pacify.

My love for you is immutable, unchanging. You're amazing .
Everything else is so nugatory, of no importance, so frivolous.
Anything more would be superfluous, so unnecessary, so extraneous.

You're amazing.
You placate and you pacify.
You're amazing. You satiate, yeah you satisfy.

My love for you is steadfast, unchanging.
You're amazing Yeah, you're amazing.
You're so amazing. You're amazing
