

## Comprehensive Progress Report

**Mission:** As Dudley Shoals Eagles we expect: Expect Achieve Grow Lead Excel Succeed

**Vision:** At Dudley Shoals Elementary, we will protect, challenge, and encourage all students so they will be well equipped to handle the ever-changing environment in which they are expected to thrive.

**Goals:**

Dudley Shoals Elementary will demonstrate progressed implementation of a Multi-Tiered System of Support (MTSS) framework that uses common and reliable data to provide academic and social/emotional instruction that is culturally responsive, research-based, and differentiated to meet the learning needs of all students. The MTSS framework will help us better serve each student individually and be evidenced by both formative and standardized assessment.

Dudley Shoals will grow to no less than 60% proficiency on Reading End of Grade tests through the use of research-based programs and strategies in core and intervention settings through the MTSS framework.

Dudley Shoals will demonstrate improved behavioral outcomes through the continued implementation of Positive Behavior Interventions and Supports (PBIS) which will be evidenced by a reduction of office referrals by at least 15% .

Dudley Shoals will continue to advance in distance/remote learning strategies to prepare for future school closures.
