As required by the Every Student Succeeds Act (ESSA), all public schools must meet the 95% assessment participation rate for students enrolled in tested grades. Unfortunately, due to the COVID-19 pandemic and consequent quarantines of students, South Caldwell High School did not meet the 95% assessment participation requirement during the 2021 - 2022 school year.

South Caldwell High School did not meet the 95% assessment participation requirement for the following subgroups:

Subject	Subgroup
Math	EDS HISP SWD
Reading	EDS
ACT	ALL EDS SWD

To ensure that all eligible students participate in testing during the 2022-2023 school year, the school has developed the following plan of action to address the participation rate.

Assessment Participation Action Plan

- Identify and review data that informs assessment participation patterns and possible barriers or challenges to participation.
- Use data analysis to identify specific actions and realistic timeframes for increasing assessment participation.
- Identify team members who can best communicate the action plan to stakeholder groups and foster support from stakeholders.
- Increase communication of testing window dates with stakeholders.
- Monitor activities and make plan adjustments as needed.
