Mrs. Wright expressed the need for a new volunteer coordinator, and what was needed in a new coordinator.

Sonya and Carla will be taking over as coordinator until a new one is found.

Carla let everyone know about the new tax information discussed with Steve Connor. PTO will be filing for a new tax ID number and tax exemption status/ non-profit which will cost approximately \$500.00.

We will have to wait and see if any back taxes need to be paid before moving forward with chrome book purchases.

We will also be waiting on making a spirit wear order until tax issues are resolved.

Sonya gave a treasury report. We have no real change in finances.

PTO purchased approximately \$300.00 on hair spray, candy, and Halloween make-up to be used during fall festival next year, and PBIS items for the celebration on the 9th of November. ‘

PTO was asked to help pay for faculty/teacher Christmas meal at Mulligan's.
