

**PARENT AGREEMENT**

As the parent/guardian of this student, I have read policy 3225/4312/7320, Technology Responsible Use. By signing below, I affirm that I understand that this policy governs my child's use of all school system technological resources both on and off school property, and I accept full responsibility for my child's compliance with this policy. I also consent to school personnel monitoring my child's Internet activity, email communication, and any other use of school system technological resources. I understand that the school system takes reasonable efforts to filter inappropriate content on the Internet accessible through school system devices but that the school system is not responsible for Internet content accessed by my child via his/her personal mobile technology (e.g. 3G, 4G service).

By checking this box, I DENY permission for my student to independently access the Internet. I understand that while my child will not be able to use the Internet independently, he/she will be granted supervised access to the Internet, third party systems used for school-related projects designed to meet certain educational goals, and other school system technological resources.
